

## Technical data sheet Safety locking device

Part no.: 50109217

K-V M12-Ex

### Contents

- Technical data

For illustration purposes only

## Technical data

### Basic data

Contains	5x
Suitable for	Products with M12 connector

### Mechanical data

Plastic housing	PA
Net weight	25 g

### Environmental data

Ambient temperature, operation	-25 ... 90 °C
--------------------------------	---------------

### Ex specification

Ex-zone	2
	22

### Classification

Customs tariff number	39269097
