

## Technical data sheet

### Attachment lens

Part no.: 50117780

KL-M03

#### Contents

- Technical data

For illustration purposes only

## Technical data

### Basic data

Contains	2x
----------	----

### Functions

Functions	Focusing of light spot
-----------	------------------------

### Optical data

Light spot size [at sensor distance]	0.5 mm
--------------------------------------	--------

Focal distance	8 mm
----------------	------

### Mechanical data

Type of fastening	Screw type
-------------------	------------

### Classification

Customs tariff number	90022000
