

## Technical data sheet Light curtain receiver

Part no.: 50120084

CML720i-R10-1440.R/L-M12

### Contents

- Technical data
- Dimensioned drawings
- Electrical connection
- Operation and display
- Suitable transmitters
- Part number code
- Notes
- Accessories

For illustration purposes only

## Technical data

### Basic data

|                     |                                       |
|---------------------|---------------------------------------|
| Series              | 720                                   |
| Operating principle | Throughbeam principle                 |
| Device type         | Receiver                              |
| Contains            | Accessories for the use of the BT-2R1 |
| Application         | Object measurement                    |

### Special version

|                 |                        |
|-----------------|------------------------|
| Special version | Crossed-beam scanning  |
|                 | Diagonal-beam scanning |
|                 | Parallel-beam scanning |

### Optical data

|                          |                            |
|--------------------------|----------------------------|
| Operating range          | 0.3 ... 7 m                |
| Operating range          | Guaranteed operating range |
| Operating range limit    | 0.2 ... 9 m                |
| Operating range limit    | Typical operating range    |
| Measurement field length | 1,440 mm                   |
| Number of beams          | 144 Piece(s)               |
| Beam spacing             | 10 mm                      |

### Measurement data

|                         |       |
|-------------------------|-------|
| Minimum object diameter | 20 mm |
|-------------------------|-------|

### Electrical data

|                    |                              |
|--------------------|------------------------------|
| Protective circuit | Polarity reversal protection |
|                    | Short circuit protected      |
|                    | Transient protection         |

### Performance data

|                      |  |
|----------------------|--|
| Supply voltage $U_B$ | 18 ... 30 V, DC  |
| Residual ripple      | 0 ... 15 %, From $U_B$   |
| Open-circuit current | 0 ... 350 mA, The specified values refer to the entire package consisting of transmitter and receiver. |

### Inputs/outputs selectable

|                                     |                                    |
|-------------------------------------|------------------------------------|
| Output current, max.                | 100 mA                             |
| Input resistance                    | 6,000 $\Omega$                     |
| Number of inputs/outputs selectable | 4 Piece(s)                         |
| Type                                | Inputs/outputs selectable          |
| Voltage type, outputs               | DC                                 |
| Switching voltage, outputs          | Typ. $U_B$ / 0 V                   |
| Voltage type, inputs                | DC                                 |
| Switching voltage, inputs           | high: $\geq 6V$<br>low: $\leq 4 V$ |

### Input/output 1

|                          |            |
|--------------------------|------------|
| Activation/disable delay | 0 ... 1 ms |
|--------------------------|------------|

### Time behavior

|                        |            |
|------------------------|------------|
| Readiness delay        | 400 ms     |
| Cycle time             | 4.72 ms    |
| Response time per beam | 30 $\mu s$ |

### Interface

|      |         |
|------|---------|
| Type | IO-Link |
|------|---------|

### IO-Link

|                 |                |
|-----------------|----------------|
| COM mode        | COM2           |
| Min. cycle time | COM2 = 2.3 ms  |
| Specification   | V1.0.1<br>V1.1 |

### Service interface

|          |                                       |
|----------|---------------------------------------|
| Type     | IO-Link                               |
| IO-Link  |                                       |
| Function | Configuration via software<br>Service |

### Connection

|                       |            |
|-----------------------|------------|
| Number of connections | 2 Piece(s) |
| Plug outlet           | Rear side  |

### Connection 1

|                    |  |
|--------------------|--|
| Function           | Configuration interface<br>Signal IN<br>Signal OUT<br>Voltage supply |
| Type of connection | Connector  |
| Thread size        | M12  |
| Type               | Male   |
| Material           | Metal  |
| No. of pins        | 8 -pin   |
| Encoding           | A-coded  |

### Connection 2

|                    |                           |
|--------------------|---------------------------|
| Function           | Connection to transmitter |
| Type of connection | Connector                 |
| Thread size        | M12                       |
| Type               | Female                    |
| Material           | Metal                     |
| No. of pins        | 5 -pin                    |
| Encoding           | A-coded                   |

### Mechanical data

|                       |   |
|-----------------------|---|
| Design                | Cubic   |
| Dimension (W x H x L) | 29 mm x 35.4 mm x 1,463 mm                      |
| Housing material      | Metal   |
| Metal housing         | Aluminum  |
| Lens cover material   | Plastic   |
| Net weight            | 1,650 g   |
| Housing color         | Silver  |
| Type of fastening     | Groove mounting<br>Via optional mounting device |

### Operation and display

|                       |                      |
|-----------------------|----------------------|
| Type of display       | LED<br>OLED display  |
| Number of LEDs        | 2 Piece(s)           |
| Type of configuration | Software<br>Teach-in |
| Operational controls  | Membrane keyboard    |

### Environmental data

|                                |               |
|--------------------------------|---------------|
| Ambient temperature, operation | -30 ... 60 °C |
| Ambient temperature, storage   | -40 ... 70 °C |

Technical data

Certifications

## Dimensioned drawings

All dimensions in millimeters

- |   |                                  |   |                        |
|---|----------------------------------|---|------------------------|
| A | Beam spacing 10 mm               | L | Profile length 1448 mm |
| B | Measurement field length 1440 mm | T | Transmitter            |
| F | M6 thread                        | R | Receiver               |
| G | Fastening groove                 | Y | 5 mm                   |

Dimensioned drawings

Electrical connection

Connection 1

|                    |                         |
|--------------------|-------------------------|
| Function           | Configuration interface |
|                    | Signal IN               |
|                    | Signal OUT              |
|                    | Voltage supply          |
| Type of connection | Connector               |
| Thread size        | M12                     |
| Type               | Male                    |
| Material           | Metal                   |
| No. of pins        | 8 -pin                  |
| Encoding           | A-coded                 |

Pin Pin assignment

|   |         |
|---|---------|
| 1 | V+      |
| 2 | IO1     |
| 3 | GND     |
| 4 | IO-Link |
| 5 | IO2     |
| 6 | IO3     |
| 7 | IO4     |
| 8 | GND     |

Connection 2

|                    |                           |
|--------------------|---------------------------|
| Function           | Connection to transmitter |
| Type of connection | Connector                 |
| Thread size        | M12                       |
| Type               | Female                    |
| Material           | Metal                     |
| No. of pins        | 5 -pin                    |
| Encoding           | A-coded                   |

Pin Pin assignment

|   |            |
|---|------------|
| 1 | FE/SHIELD  |
| 2 | V+         |
| 3 | GND        |
| 4 | RS 485 Tx+ |
| 5 | RS 485 Tx- |

Operation and display

| LED | Display                  | Meaning                                |
|-----|--------------------------|--|
| 1   | Green, continuous light  | Operational readiness                  |
|     | Green, flashing          | Teach / error                          |
| 2   | Yellow, continuous light | Light path free, with function reserve |
|     | Yellow, flashing         | No function reserve                    |
|     | Off                      | Object detected                        |

Suitable transmitters

|   | Part no. | Designation            | Article                   | Description   |
|---|----------|------------------------|---------------------------|---|
|  | 50119495 | CML720i-T10-1440.R-M12 | Light curtain transmitter | Operating range: 0.3 ... 7 m<br>Connection: Connector, M12, Rear side, 5 -pin |

Notes

Observe intended use!

- This product is not a safety sensor and is not intended as personnel protection.
- The product may only be put into operation by competent persons.
- Only use the product in accordance with its intended use.

For UL applications:

- For UL applications, use is only permitted in Class 2 circuits in accordance with the NEC (National Electric Code).
- These proximity switches shall be used with UL Listed Cable assemblies rated 30V, 0.5A min, in the field installation, or equivalent (categories: CYJV/ CYJV7 or PVVA/PVVA7)

Accessories

Connection technology - Connection unit
