

Machine Safety Consultant (m/w/d)

 Department: Safety

 Location: USA – Atlanta, GA (on-site)

 Status: Full-time

Your tasks:

Act as a Machine Safety Consulting resource to conduct on-site Risk Assessment and Safety Concept Services as required. Also provide machine safety training where needed for Leuze employees as well as at customer sites.

- Conduct Risk Assessment and Safety Concept projects including all on-site assessment and reporting deliverables. This includes the ability to calculate Safety Performance Levels, Stop-Time Measurements, Control Circuitry Review, etc
- Accurately estimate hours for projects and assist in the proposal development for each project to which you are assigned
- Conduct Machinery Safety Trainings for Leuze resources and customers as necessary
- Maintain an expert level understanding of Machinery Safety Standards including ISO, ANSI, and others
- Work with the Sales and Engineering Teams to assure that product-based Safety Solutions meet all appropriate standards
- Participate on standards committees as necessary to represent Leuze and the Machine Safety Industry

Your qualifications:

- Technical Degree - B.S. or higher - Preferably Electrical Engineering (Others Considered based on experience)
- 3-7 Years' Experience with Machine Safety
- Travel up to 50% required
- General knowledge of Machine Safety
- Experience Conducting Machinery Risk Assessments
- CMSE® (Certified Machinery Safety Expert) certification or Functional Safety Certifications a definite plus
- Understanding and / or experience with Risk Assessment software tools like Raswin, SISTEMA, etc a plus
- MS Office Suite / CRM
- Project Management
- Excellent verbal and written communication skills
- Interpersonal and customer service skills
- Excellent organizational skills and attention to detail
- Strong analytical and problem-solving skills
- Familiarity with SAP

Benefits

- Competitive salary plus, annual bonus
- Comprehensive benefits package including medical, dental, and vision coverage
- Company provided life, long-term, short-term disability insurance and 401K match
- Individual development opportunities
- Extensive induction with a wide range of practical insights
