Creating transformation.
Yesterday. Today. Tomorrow.

With curiosity and determination, we – the Sensor People – have been partners for technological milestones in industrial automation for 60 years. The success of our customers is what drives us. Yesterday. Today. Tomorrow.
Our company at a glance

In a constantly changing industrial world, we work together with you to find the best solution for your sensor applications: innovatively, precisely and efficiently.

Products with maximum user friendliness

Our diverse product range offers you innovative technologies with optimum usability and highest performance.

Switching sensors
Measuring sensors
Safety
Identification

Data transmission
Network and connection technology
Industrial image processing
Accessories and supplementary products
Switching sensors

- Optical sensors
- Inductive switches
- Capacitive sensors
- Ultrasonic sensors
- Fiber optic sensors
- Forked sensors
- Light curtains
- Special sensors

Measuring sensors

- Distance sensors
- Sensors for positioning
- 3D sensors
- Light curtains
- Bar code positioning systems
- Forked sensors
Safety

– Safety laser scanners
– Safety light curtains
– Single and multiple light beam safety devices
– Safe locking devices, switches and proximity sensors
– Safety PLCs and relays
– Machine safety services

Identification

– Bar code identification
– 2D-code identification
– RF identification
Data transmission

- Optical data transmission systems

Network and connection technology

- Connection technology
- Modular connection units
Industrial image processing

- Light section sensors
- Industrial IP Cameras
- Vision Sensors

Accessories and supplementary products

- Signaling devices
- Mounting systems
- Reflectors
Specialists for your application

60 years of experience and our extensive application knowledge have made us specialists in our core industries.

Intralogistics

Packaging industry

Machine tools

Automotive industry

Laboratory automation
